

**WHAT YOU WILL LEARN ABOUT  
TEACHING SAFE BICYCLING AND  
WHAT YOU CAN DO BETTER BY  
TAKING THIS TRAINING?**

- \* Find out how children differ from adults as bicycle riders and how the crashes they get into are different
- \* Learn to develop and organize a successful child rider training event in your community
- \* Learn how to work with service organizations, schools, community leaders, media and law enforcement to assure safe riding in the community
- \* Understand state-of-the-art skills related to safe bicycle riding and tips on how to teach hazard avoidance to children
- \* Experience hands-on hazard identification in bicycle riding areas and know who to work with to eliminate or correct these hazards
- \* Opportunity to share successful ways that you have used working with children
- \* Get useful bike safety materials to use back home
